International education can be quite expensive, depending on the educational institute and length of study. Please explain how you would finance your studies.	
Do you have any relatives in New Zealand? If so, would you live with them whilst studying?	
Which is your preferred place of study in New Zealand? Please name at least 3 cities, 1 being the most favourite.	
Do you have any work experience in your current professional field? If so, how long?	
Are you planning to work whilst studying in New Zealand?	
Would you bring your partner and/or children to New Zealand? If so, does your partner have tertiary qualifications?	
Are you planning to go back to your home country after you have finished your studies?	
How did you hear about us?	
Any other comments?

I, _____ understand that Seven Seas Cultural Exchange is an educational consultancy firm which has agreements with New Zealand educational providers to promote their respective educational institutes. Seven Seas Cultural Exchange takes over enrolment with educational provider at no extra cost to the student (except for visa fees), but will receive a commission from the educational institute. Our initial consultation to assess educational and visa options will be 200.00 NZD which is payable at the time of the appointment / before the skype interview.
