Who We Are

We offer parents a bit of breathing space and time for themselves in the race for being the perfect partner, parent and employee and juggling it all. A house guest from a foreign country and culture opens the minds of your little darlings and creates well rounded and culturally aware children.

Our programme incorporates students/ Demi-Aupairs from all over the world. At present we have participants from Germany, Austria, Switzerland, France, Brazil and Japan. Pick your preferred culture to open your house and heart to!

What Do We Offer?

Demi-Aupair

A Demi-Aupair lives with a host family and helps with their children and household in exchange for board and food plus a total of \$70 pocket money per week. This young girl / boy aged 18+ works 20 hours a week, and is usually attending a language course in the mornings.

All of our Demi-Aupairs come with;

- > childcare references
- > character references
- > first-aid qualifications
- > background check

Demi-Aupairs come to New Zealand to learn about the Kiwi way of life and be part of a family whilst improving their language skills.

Granny-Aupair

Granny-Aupairs are mature women of 50+ who, after having raised their own children successfully, have lots of love and understanding to offer to any other family. This outlook, combined with their desire to venture out into the world on their own, makes them the perfect match for a family who prefers maturity and sophistication over entrusting their children to teenagers. Granny Aupairs also attend language school.

Companion

Companionare more mature friends for your elderly parent or relative to keep him / her company, help with shopping, excursions and other important social events in exchange for food, accommodation and some pocket money. They are usually aged 50 +.
